Home to over
a million wonders...

Welcome to Leeds Museum Discovery Centre

Leeds Museum Discovery Centre is the city's new publicly accessible museum storage facility. As only 5% of Leeds Museums' treasures can be displayed at any one time, many others are held in storage.

The Discovery Centre gives you a behind-the-scenes look at over a million treasures. This includes curiosities ranging from tiny bugs and butterflies to a full-sized Yak, from Roman pots to canoes, from jigsaws to washing machines and even clothes, shoes, paintings and sculptures.

Events and activities

Ever tickled a turtle, masqueraded in African masks, sniffed dinosaur dung or handled burial objects from Ancient Egyptian tombs? Join in our programme of hands on workshops and activities to explore and be inspired by our wonderful collections. There is always something to do, see and handle.

We can offer tailored sessions for families, schools, universities or life long learners of all ages. For further details or to simply book a tour of the centre, please telephone.

Venue hire

The Discovery Centre has three meeting rooms available for hire. Floor to ceiling windows mean these spaces are light and airy and the rooms can be set-up in a variety of layouts to suit your needs. The centre also benefits from excellent rail and road links and ample free parking, coupled with competitive hire rates. Please call for more information and prices.
