TIP

Remember...

If you use fast cash or payday loan companies like the ones you see on the high-street or advertised on the TV to borrow money, it may show up on your credit history. This could also affect your options if you want to borrow money for a large item like a car in the future.

TIP

Behind with your bills or rent?

- 1 When you're behind on repayments don't think that a credit card or unsecured loan is a priority just because these companies shout the loudest.
- 2 Your priorities are to keep a roof above your head, the house warm and the bailiffs from your door.
- 3 Non-priority debts are credit cards, payday and fast cash loans, store finance, overdraft and store cards.

AFFORDABLE CREDIT AND BANKING SERVICES

Home Improvement Assistance Loan

These are available for anyone who owns and lives in their home and is considered vulnerable. The groups of people this may apply to include those on a low income, on certain types of benefits, the elderly, those in poor health, or people unable to access commercial loans and are aged 18 or over. They must also have sufficient equity in their home because this is an equity release loan (not a grant) with no monthly repayments, based upon the value of your home. It allows the borrower to carry out work to repair or improve their home to make it weather tight and safe without making regular loan repayments. You only have to repay the loan when you no longer live in your home as your main residence or when you sell your home.

Similar loans are available to assist owners of long term empty property to return them to use.

Universal Credit New Claim Advance

A Universal Credit New Claim Advance is for people who need money whilst they wait for their first payment of Universal Credit, which will normally be one calendar month and 7 days after the date they claimed. To be eligible for a New Claim Advance people must:

- have made a claim for Universal Credit and the

DWP believes that the claim is likely to be successful

- be considered by the DWP to be able to repay the advance within a specified period (normally 6 months)
- show they are in financial need

To apply for a New Claim Advance because people cannot wait for the first payment of Universal Credit, an application has to be made within 21 days of their claim for Universal Credit.

People can either apply at the same time as their initial interview at the Jobcentre, or afterwards by contacting the Universal Credit Service Centre on

Local Welfare Support Scheme

Leeds City Council has a Local Welfare Support Scheme to support people who require emergency assistance. This scheme is based on providing basic household goods and emergency food provision.

Please note the scheme cannot make cash payments as one of the options for support.

MIC
MONEY
INFORMATION
CENTRE

This scheme helps the most vulnerable people in Leeds. It is not a general fund available for all. Other available sources of assistance are considered before any award is made from the scheme. Applications to the scheme made by a Support/Advice Worker may be more likely to result in a positive award.

The Local Welfare Support scheme has supported the setup of a food distribution network within the city called Fareshare Yorkshire. This arrangement ensures a sustained supply of food to the citywide foodbanks and as part of this partnering arrangement, people presenting in crisis requiring food will be referred where possible, in agreement with the foodbanks, to them for assistance.
