

FOR DISCUSSION PURPOSES ONLY

We want you to have your say on the future of your community so please fill in this form at the consultation event (see the end of this form for other ways that you can comment)

Maud Avenue

(Opportunity to create a community 'focal point')

(this is an indicative idea only)

What are the options?

Option 1 - Closure of Maud Avenue with a covered, shared space (a 'community hub') linking the Hamara Centre and the 'Building Blocks' Centre

Option 2 - Maud Avenue remains largely as it is, but with surrounding environmental improvements and improved car parking

What are the issues?

- Beeston Hill lacks a focal point and this is an opportunity to create one
- Opportunity to reinforce links between the two facilities and with the community
- Opportunity to create an active space for community events throughout the year
- Opportunity to link with Cross Flatts Park
- Loss of car parking on Maud Avenue
- Traffic survey required to assess traffic and parking implications and solutions

What would these options mean for local people?	
OPTION 1 - Closure of Maud Avenue with a covered, shared space (a 'community hub') linking the Hamara Centre and the 'Building Blocks' Centre	
<p style="text-align: center;">Pros</p> <ul style="list-style-type: none"> • Creation of a safe, attractive and dynamic public space • Opportunity for community events throughout the year • A positive expression of community pride and strength • May increase local use of community facilities 	<p style="text-align: center;">Cons</p> <ul style="list-style-type: none"> • Loss of car parking on Maud Avenue
OPTION 2 – No change to Maud Avenue	
<p style="text-align: center;">Pros</p> <ul style="list-style-type: none"> • No loss of car parking 	<p style="text-align: center;">Cons</p> <ul style="list-style-type: none"> • Opportunity for community focal point missed

What is your 'preferred option'?

Please state 1, 2 or 3

Please hand this form to one of the facilitators or place in the box at the consultation event. Or alternatively:
