

## *The Leeds Foster Carers Association*

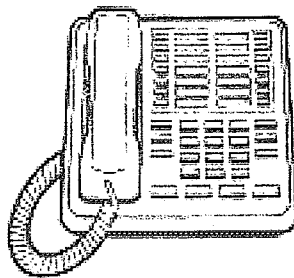

*Welcome to the Leeds Foster Carers Association, we are a Charitable organisation and have been in existence for over twenty years, the aim of the group is to provide Leeds Carers with advice, support and information regarding fostering today. We liaise with Leeds City Council on matters which will affect foster care and carers, aptly named 'The Liaison Group' this consists of elected representatives from all levels and specialities of fostering. The LFCA committee members meet on a monthly basis in Leeds, we discuss issues affecting carers and agenda items to be presented to the Liaison meeting. We also provide activities for the children and their carers including Family Nights, Coffee Mornings and Christmas Panto, the Playscheme runs every Summer overseen by Stephanie and John Forbes.*
