

Breeze International Youth Festival (BIYF)

International visitors join Leeds schools in a unique educational experience. Now in its thirteenth year, the annual Breeze International Youth Festival is a jam-packed programme of events that explodes across schools, community centres and major venues in Leeds throughout June and July.

Organised by Leeds City Council, the Breeze International Youth Festival, (BIYF), in partnership with schools, international schools, community groups and cultural organisations, provides a unique experience for young people from all over the city. From arranging a selection of professional performance workshops in Leeds schools, to inviting young people to Leeds from the five continents of the world, the BIYF provides a multi-cultural, creative experience for young people in Leeds.

BIYF Sponsorship opportunities

If your company would like more information about ways to support Breeze International Youth Festival, please call Ann Wishart direct on 0113 2478049 or send an email to sponsorship@leeds.gov.uk

Breeze on Tour

Every year thousands of young people head down to Breeze on Tour and have a brilliant time. Found at up to 12 locations around Leeds (visit the Breeze web site for dates and venues) the Breeze on Tour provides 5 weeks of pure fun for young people aged 8-19 during the school holidays. Events are free and offer information, sport, challenge, play and art zones.

Breeze on Tour Sponsorship opportunities
