

Life in Britain

The most used online course throughout UK libraries covering all three official publications.

Learn, practise and revise for the **British Citizenship Test** with all these unique features.

- Contains the content of Three books: “**Life in the United Kingdom: A Journey to Citizenship - Second Edition (2007)**”, the “**Official Citizenship Test Study Guide**” and “**Passing the Life in the UK test - Official Practice Questions**”.
- Human speech to help you fully understand the course.
- Links within the course connect you directly to the relevant websites listed in the text.
- Comprehensive glossary to help you to understand words and phrases, with links to their meanings within the course and practice questions.
- The only online practice tests available that let you feel as if you are doing the real “Life in the UK Test”.
- By far, the easiest citizenship course to use.
- Exclusive content.
