

Pudsey Park Volunteers

Summer Task Programme

Join the Pudsey Park Volunteers to help maintain this award winning public park.

Our work is extremely varied and includes rose pruning and planting in the parks magnificent flower beds, habitat management in the wildlife area, maintenance of the animal enclosures in the West Leeds Country Park visitor centre, and maintaining the bowling greens, play area and even Pudsey cemetery grounds.

The Pudsey Park Volunteers meet on the 2nd Thursday of each month. Meet outside the visitor centre. We meet at 9.30am and work no later than 3pm, though you are welcome to come for just part of the day.

New faces are always welcome. All you need to bring is sturdy footwear, suitable clothing for the weather (which you don't mind getting dirty) and your lunch.
