20MPH ZONE

STATEMENT OF REASONS FOR PROPOSING TO MAKE THE ORDER

Leeds City Council has identified the need to improve road safety and the environment by reducing the impact of motor vehicles in the Allerton Bywater of the City by introducing a 20MPH Speed Limit Zone.

The proposed zone to be covered by the speed limit contains approximately 200 homes of various types under the new Millennium Community development, resulting in a high volume of pedestrian movement. The introduction of the 20MPH Speed Limit will reduce traffic speeds and provide a safer environment for pedestrians and motorists.
