Hi Ann,

Please see attached an Examination Documents list for the Aberford Neighbourhood Plan. Printed copies of the Neighbourhood Plan Submission Documents have been put in this morning's post.

The Parish Council have confirmed the timescale for responding to the representations and have asked that Natalie Goonesinghe, Clerk to the Parish Council, be the named contact for examination correspondence, copied in.

The attached will be posted on the Council's website. Your Examination notes were published last week on the Parish Council's and the Council's website.

In respect of your note regarding the HRA Screening, we have sought legal opinion and are going to re-screen the Neighbourhood Plan in light of the Judgement, in consultation with Natural England. The timing of this will depend on Natural England's response, and I will keep you updated as this progresses.

If there any further questions, please don't hesitate to contact me.

Best wishes,
Abbie
