* Income or expenditure includes any items with a value of £1 or more.

It is a requirement of Section 3(3) of the Local Audit and Accountability Act 2014 ('the Act') that local councils, internal drainage boards or other smaller authorities should prepare a statement of accounts in respect of each financial year. Smaller authorities that have completed this declaration should display or publish a copy of it to inform local electors that no accounts have been prepared for the financial year and that consequently there is no requirement for audit under Section 4 of the Act.
