

Allerton High School Zone 1

Applicants living in the catchment priority area are not guaranteed a place, but their application would meet the catchment priority of the school's admission policy. The school's catchment area has 2 zones and applicants living in zone 1 are allocated places first, then applicants living in zone 2 of the catchment area. You can look up your individual address at www.leeds.gov.uk/apply to check if it has any priority.

Allerton High School Zone 2

Applicants living in the catchment priority area are not guaranteed a place, but their application would meet the catchment priority of the school's admission policy. The school's catchment area has 2 zones and applicants living in zone 1 are allocated places first, then applicants living in zone 2 of the catchment area.
